Dear Guests,

Due to the recent changes announced by the Government of Alberta. The Restrictions Exemption Program (REP) has been removed. Casino Dene will no longer be required to check for proof of vaccination from our patrons that enter the Casino and Aurora.

Masks are still mandatory at all times unless seated and actively eating or drinking.

Government of Alberta impacts that have not changed:

- The Casino floor capacity is limited to 50%
- Maximum of 10 people per table at the restaurant and no mingling between tables.
- Liquor service must end at 11pm and be consumed not later than 12:30am.

Liquor and food consumption can resume for patrons playing on the slots and tables while seated.
